

General guidance whilst dining out on holiday

Recent months have brought about changes all over the UK to how we socialise and get out and about. Please read these useful hints and tips about what changes you can expect whilst on holiday.

Book meals out in advance

If you are looking to enjoy an evening meal at one of our wonderful local pubs or restaurants in the area, please be prepared to book in advance. Walk-in's will not be possible at most if not all establishments, as they will need to be able to manage the number of people entering and leaving their premises. Discover some of our suggested places to eat on our website.

Enjoy 'dining in' your gorgeous holiday home instead!

Some of the excellent eating establishments in the area are offering a take-out service so you can enjoy quality food at 'home'. Check out our 'dining in' section for more information. Most normal takeaway establishments are open too.

Research local attractions

Many of the Dales best attractions are open for business, but their hours may have changed slightly, and you may have to book tickets (if applicable) in advance. For more information on our local attractions please see our 'on the doorstep' tab on our website.

Public transport

Don't forget, facemasks are mandatory on all public transport. Please respect these guidelines for the safety of yourself and others.

Maintain social distancing

Please respect and maintain social distancing measures whilst out and about. Some towns and villages may have a one-way system on the high street which has been introduced for your safety.

Public toilets

Some public toilets have been temporarily closed. However, to the best of our knowledge, the Yorkshire Dales National Park has reopened most of the public toilets in this area.
